Bill & Kate Isles

It's been 14 years since Duluth's Bill Isles suffered the near-fatal heart arrest that changed his life and jump-started his creative energies. When he started performing his heart-felt original songs and stories seven years ago, he never dreamed that his career would develop into a 45,000-mile - and 110-show - per year itinerary.

Words like "Transcendent" and "Mesmerizing" are common in audience descriptions of his live concerts and fans of all ages tell of listening to his albums over and over again, finding new gems in his lyrics with each listen. What they're really finding is something of his story, and something of themselves.

"It's an honor for me to be in a position where I can expand the imaginations of my audience and be an encouragement to those who think it might be 'too late' in life to make a change.", said Isles.
